

Serve the Lord with Gladness

Psalm 100 v 2

BUILDING A WALL OF PRAYER ACROSS THE LAND FOR OUR CHILDREN AND THEIR SCHOOLS

A LOVELY PHOTO FROM MWC CAPE TOWN

Dear Praying Moms, Aunts, Grans

Psalm 33v20-22 From The Message says, *We're depending on God; he's everything we need. What's more our hearts brim with joy since we've taken for our own his holy name. Love us, God, with all you've got-that's what we're depending on.*

Our Father's love is relentless both for us and those who are yet to know Him - I like to think of them as pre-christians.

We have some exciting news, from our regional ladies!

If the purposes of your life
is not wrapped up in God's
purposes for the world,
you will miss
the reason you're alive ~
Bill Drake
Operation Mobilisation

From Melkbosstrand

We had a tough 2 years at our school. A year of disciplinary hearing with leadership. The staff requested prayer for unity and peace, as trust had been broken.

The Lord has generously blessed our school. He not only brought unity but also a boldness for sharing their faith with colleagues and a strengthening of old and new relationships.

Psalm 133 is what we are living in now. How Good and pleasant it is when brethren dwell together in unity. It is like oil poured on the head, running down on the beard, running down on Aaron's beard, down the collar of his robe. [NIV]

Dr Zanne Zeeman

Port Elizabeth

The ladies in PE are going away on their 6th annual Camp in Bedford. The Mission - to simply spend time with Jesus for 48 hrs. Please pray! I get to be there too! 21-23 Feb.

From Pretoria - Heleen

We thank the Lord for the opportunity to reach out to a Pretoria Primary school. We shared with them the Father's love letter. Each teacher received it with such gratitude. We pray that every piece of scripture will find it's way to their hears and will. According to His promises, may it bear much fruit.

KZN Midlands

A school had their prefect's camp in January. Their evening outdoor activity was cancelled, as it rained.

The camp leader decided to have a time of worship and God poured over them in a profound way. Boys were visibly weeping as Holy Spirit did His work!

Jesus we ask that you would do it again in many schools - for your Glory Lord! Amen.

West Rand - Dalene

Praying at a Primary school in our area, where we had no access to the school grounds or class rooms...until a new principal was appointed and allowed us to start a prayer group. In 2019 we were 3 moms.

This year, starting our Daniel fast... 2 of us prayed for more moms. God blessed us with 5 godly women. We have great expectations!!

Teamwork

The Bible is clear about unity in the body, each member is as important as another!

We have now incorporated 5 KZN leaders into our regional team. The regional coordinators and area coordinators form a key network in our circle, as they provide prayer and relational oversight to the prayer groups.

We all have a vital role in shining Jesus,
As Holy Spirit leads!

...For pouring out your life for Jesus!

God Can!

A week ago, a teacher asked for prayer for a camp they were taking more than 100 pupils on.

They had the most amazing time with many, many surrendering their lives to Jesus. A few atheists too. She had shared that the evidence of God moving upon their hearts was phenomenal. Those who had been leading this camp for a number of years - were blown away by the Kindness of God in revealing His Love to the youth.

I believe with all my heart that Father God is going to do this over and over again as we pray believing. Thank You Jesus!!

From KZN South Side

The group had dwindled-most matriculated and we struggled to fill gaps till no one prayed there. We tried for two years. Eventually a new mom came to pray with me.

The day we arrived, the security who didn't know us questioned us and when he heard we were there to pray, he smiled and became very animated, saying how grateful he was... that he noticed when praying moms stopped coming things changed and the school had so many problems with the children. He was anticipating an improvement in the behaviour of students due to prayer being restored.

From Cape Town

The Cape Town MWC team are enjoying the privilege of seeing our Lord's hand at work as he has drawn 8 women to form a core team.

We, by God's plan, span across most of the City. We met several times to pray, plot and plan for 2020.

We have had our first meeting already, 7th Feb, which involved a small group of Prayer Warriors, who spanned a 'praying in schools' legacy ranging from two or three years, through to twenty-five years or more!

We had three grandmothers, one with great-grandchildren, in our midst. Please pray for our Lord to draw the people he has already chosen, to the next CT regional meeting, which has been planned for 31 July, in Melkbosstrand. A lovely spot on the beautiful West Coast.

Trusting that He will guide us to do everything in His time, by His strength, and for His glory.

The CT MWC Team

Mentorship / Discipleship I feel the Lord wants us to intentionally mentor/disciple those we meet. To share what Our Father is teaching us & the scriptures Holy Spirit is revealing to us. Even our testimonies, they build faith! We in turn, can allow ourselves to be discipled by others that Our God places on our path. Prov27v17 [Amp] Iron sharpens iron, so one man sharpens [and influences] another [through discussion].

It's amazing to me how many times I have heard this same thought being shared since the onset of 2020.

Our Prayer teams...

Please could you pass on our newsy to friends and family where there aren't MWC groups & ask whether they would like to pioneer a prayer group in their school.

I have illustrated the KZN teams - to show geographical clusters. Each regional team could have a number of Area leaders.

But [the time is coming when] the earth shall be filled with the knowledge of the glory of the Lord. As the waters cover the sea! Habakkuk 2v14 [AMP]

Let the words of our mouth ...

As believers of Jesus, we are called to **declare truth**. We are reshaping destinies, with our words. We get to partner with Holy Spirit in our school prayer spaces and everywhere life takes us. We are not called to partner or agree with the naysayers of our day.

You and I are **called** to speak the Words of God. Proverbs 18v21 "The tongue has the power of LIFE and death." Let us daily use our mouths, as an instrument of life.

Father, we ask you to place a guard over our mouths in Jesus Name. Let your infallible Word bring forth life from our mouths. Transform our hearts, our families, our school communities and our nation. Let our hearts be filled with faith, as we declare what you say. We avail our mouths and our hearts for your glory in Jesus Name Amen!

Fondest Love,

Rashieda & The MWC team
